

# BUILDING A STRONGER HEALTH SYSTEM IN LORNE

# TEA & TALK

Come and participate in our Tea Talk discussions - a friendly chat over a cuppa with members of LCH Board and the CEO, Kate Gillan to discuss your views about Lorne Community Hospital and Otway Health combining as one.

This is another opportunity to participate in our community engagement sessions, which is an important part of any proposal.

## Register Your Interest

Tea Talks are due to commence late November to mid December, so simply contact the Lorne Community Hospital on
